It is that time of year again to get behind BrisbaneRSC and sign up for the 2017/18 season membership. This years membership will currently remain at the same price as last years \$60 .

The \$60 covers your \$30 to ORSA allowing you the chance to purchase tickets for any game home or away and entry into the ORSA raffle which occurs every year around Christmas, giving one lucky member the chance to win travel and entry cost to the following years ORSA event. The other \$30 will allow us to purchase and bring to you every game of the 2017/18 season live as normal via RangersTV, as well as the normal club benefits of discounted local beers in the PigNWhistle during every game/event we host there, discount on our club merchandise (New Merchandise on its way) as well as a discount to attend all our events that we host throughout the year.

A new additional benefit this years to members will be that they **DO NOT have to pay the \$5 entry fee** on match days
(excluding Old firm games) throughout the season

Please fill in the the membership form below and send it through to exec@brisbanersc.com and we will send you our bank account details to deposit your membership funds into.

Any question please let us know.
