Brisbane RSC, as a club, will endeavour to show every live game broadcast this year at our home venue of Pig N Whistle, Riverside. We plan to show all our games via Rangers TV, in the Churchill Room. This gives us our own private room separate from the other events that can be going on in other parts of the PNW and allows us to enjoy and hear the commentary on Rangers TV.

We hope that this shift to our own room will bring more of you into the club to watch games with fellow supporters. If anyone doesn't know where the Churchill Room is in PNW, Riverside ask bar staff who are happy to help (its the boardroom at the back of the beer garden)

Notice of all game will be advertised on our Facebook page (<https://www.facebook.com/brisbane.rsc/>) please join our page to get up to date information regarding live games and the club.
