Apologies but unfortunately due to lack of number again we are not going to show this weekends game against Thistle at Ibrox. -

We all know its hard to take time out of a busy weekend with family but BrisbaneRSC would love to show every game live and see decent numbers turn up every week to watch the most successful team in the world the play and not just against THEM when our turnout is always fantastic. - Everyone makes the effort to come and watch an old firm game but surely its all about the Rangers and not just the old firm so it would be great to see you guys who can make an old firm turn up and watch another few of games throughout the season. - Remember there is a reason the "WE ARE THE PEOPLE" - sometimes you have to show it.
